**Afternoon Meeting-** A time for the group to reflect on the day and to look ahead to tomorrow while also reinforcing key concepts and maintaining a positive camp environment.

**Choice-** An activity block when campers self-select from a list of available activities where they would like to go during this choice period.

**Meet & Greet-** A time is used to decorate name tags and play ice-breaker games in a way to help build a sense of camp community. This is our way of making sure each child feels welcome on the first day of a new session.

**Morning Meeting-** A time for the group to meet, greet one another, share updates, and review the rules and the day's schedule. Its primary purpose is to foster a sense of camp community, build positive relationships among campers, and set a positive tone for the day.

**Power-Up Break-** A valuable time within the camp day, allowing campers to take a breather from the routine, socialize with their peers, and return to their activities with renewed enthusiasm and energy. These breaks are often used to re-apply sunscreen, refill water bottles, and revisit how the day has progressed.

**Transition-** A time to use the restroom, refill water bottles, and move to the next activity.

**Glossary**

**Afternoon Meeting-** A time for the group to reflect on the day and to look ahead to tomorrow while also reinforcing key concepts and maintaining a positive camp environment.

**Choice-** An activity block when campers self-select from a list of available activities where they would like to go during this choice period.

**Meet & Greet-** A time is used to decorate name tags and play ice-breaker games in a way to help build a sense of camp community. This is our way of making sure each child feels welcome on the first day of a new session.

**Morning Meeting-** A time for the group to meet, greet one another, share updates, and review the rules and the day's schedule. Its primary purpose is to foster a sense of camp community, build positive relationships among campers, and set a positive tone for the day.

**Power-Up Break-** A valuable time within the camp day, allowing campers to take a breather from the routine, socialize with their peers, and return to their activities with renewed enthusiasm and energy. These breaks are often used to re-apply sunscreen, refill water bottles, and revisit how the day has progressed.

**Transition-** A time to use the restroom, refill water bottles, and move to the next activity.
