Glossary

Afternoon Meeting- A time for the group to reflect on the day and to look ahead to tomorrow while also reinforcing key concepts and maintaining a positive camp environment.

Creative Connections: A scheduled time specific to the Stages & Studios program, during which campers engage in instructor-led activities that explore the theme or topic of the camp through theater, art, or related disciplines. This period allows participants to dive deeply into their creative interests, fostering skill development and imaginative expression in a structured and supportive environment.

Meet & Greet- A time is used to decorate name tags and play ice-breaker games in a way to help build a sense of camp community. This is our way of making sure each child feels welcome on the first day of a new session.

Morning Meeting- A time for the group to meet, greet one another, share updates, and review the rules and the day's schedule. Its primary purpose is to foster a sense of camp community, build positive relationships among campers, and set a positive tone for the day.

Power-Up Break- A valuable time within the camp day, allowing campers to take a breather from the routine, socialize with their peers, and return to their activities with renewed enthusiasm and energy. These breaks are often used to re-apply sunscreen, refill water bottles, and revisit how the day has progressed.

Transition- A time to use the restroom, refill water bottles, and move to the next activity.
